Doctor Butler Advanced Formula

Glycerin 37.5%, Lanolin 12.5%, Lidocaine 4%, Zinc Oxide 5%

Anorectal (Hemorrhoidal)

Uses

Helps relieve the pain, itching, and burning associated with hemorrhoids and other anorectal disorders.

For external and/or intrarectal use only.

When using this product avoid contact with eyes, do not exceed recommended dosage unless directed by a doctor. Certain persons can develop allergic reactions to ingredients in this product. If the symptom being treated does not subside or if redness, irritation, swelling, pain, or other symptoms develop or increase, discontinue use and consult a doctor.

Ask a doctor before use if you have allergies to any of the components of this product.

Stop use and ask a doctor if condition worsens or does not improve within seven days or bleeding occurs.

If pregnant or breastfeeding, ask a health care professional before use.

Keep out of reach of the children. If swallowed, get medical help or contact a Poison Control Center right away.

- Children under 12 years of age consult your pediatrician.
- Adults: Apply to the affected area up to 3 times daily.
- Clean affected area with mild soap and warm water, rinse thoroughly, and gently dry (patting or blotting) with tissue or soft cloth before use.
- The ointment can be applied using a gloved finger or finger cot.
- To use finger cots: roll one finger cot over finger. Gently squeeze ointment onto finger cot. Smooth a layer of the ointment over affected area or into anus.
